

**BRITISH MODEL FLYING ASSOCIATION  
EAST ANGLIA AREA  
ANNUAL GENERAL MEETING 2020  
SECRETARY'S REPORT**

This report will reference the areas not covered by other officer's reports.

2020 saw a considerable change to the East Anglia Area officers. Our new chairman Paul Hoey has brought the new team together without any issues occurring. The attendance at the meetings has been stable with a regular attendance of club representatives.

I keep hearing favorable reports and complements about how we are doing things. We must be on the right track!

The budget for 2020/21 for the East Anglian Area was submitted and accepted.

Due the virus the April Area meeting was lost. However, the use of Zoom has helped to keep the show on the road. Our new web master has helped ensure that this has all worked. Andy Symons at head office has been of considerable help with Zoom support and training. We expect to continue using Zoom in the foreseeable future.
